Welcome to San Francisco Soup Company.

We're a family-owned business with the philosophy of serving the absolute best food, made from scratch, in an upscale fast-casual environment. Here you can eat healthy, organically, and sustainably, and enjoy every last drop. We call it "Contemporary Comfort Food."

Our menu starts with the Signature Soups (served everyday), which include some old favorites as well as some more current flavors. Additionally, we offer a rotation of our daily specials. Whether you prefer spicy or sweet, vegetarian or gluten-free, we will always have something to delight you.

To complement our soups, we have a selection of custom-tossed salads featuring organic greens and our own house-made dressings. Sandwiches with our unique spreads and side salads complete the menu.

We take special pride in making our food from scratch, with fresh produce and high quality meats and poultry. Your taste buds will rejoice with your very first bite!
